

The Rainbow Fish

Week of October 29-Nov 2, 2012

This week, your child read **The Rainbow Fish**. Language goals to accompany this story included answering “wh” questions (who, what, where, when, how, and why), as well as yes/no questions. We also identified rhyming pictures and worked on 1-2 step commands.

Your child also made his/her own Rainbow Fish by following directions (“Put a red square above the blue square”, etc.

-Mrs. Moon, Speech-Language Pathologist
